

# **THANK YOU SCPGC...**

***Wanted to Thank You the  
Membership of SCPGC for  
your participation and  
patience over the last 14  
years in making an effort to  
reach out to learn this game  
that keeps us all  
so humble.***

***I am a better person for the  
opportunity you gave me to  
exercise my love of the game  
with such a special group  
of individuals...***

***Thank You again!
